

USE THIS USB DRIVE TO SAVE YOUR IMPORTANT DOCUMENTS AND RECORDS

makeitthrough.org

Identify critical documents that are important to keep safe.

These may include items such as:

- Insurance policies
- Photos of your house and belongings before the disaster
- Birth certificates
- Social security card
- Real estate contracts
- Bank records
- Passport/Identification/drivers license
- Pet information and a photo of you and your pet
- Important family photos
- Copies and/or list of your prescription medications
